Travel Permission Form

Parents:

Due to the timing of the practice sessions and meets, we know it is not always possible for you to drive your children to these events . This form gives permission for other parents or CHST coaches to drive your children to and from practices and meets when you are unable to drive them yourselves. The CHST coaches will carry these forms with them to away meets.

My son/daughter (first & last name)

has my permission to ride in the automobile of CHST coaches or other parents. I agree not to hold said coaches or parents liable in the event of injury incurred during transportation.
